## The Buddy System

Please enforce the Buddy System at camp! No scout is allowed to go anywhere without another scout or buddy, this includes the restroom and the Trading Post. Please discuss the Buddy System with your scouts and all leaders before coming to camp. This will help keep your scout safe.

## Early Departure

**The Camp Director must sign out EVERYONE who needs to leave EARLY.** Early is considered any time before closing ceremonies. The adult picking up a scout should be listed in the early release section of the Health and Medical form.

## Trading Post

We will have a Trading Post where snack foods, candy, cold drinks, snow cones, Camp Morrison T-shirts and Scout Souvenirs can be purchased. What do the scouts LEARN at The Trading Post??? They learn decision-making skills, responsibility, honesty, budgeting, math, integrity, delayed gratification, time-management, and so much more! The Trading Post is an important and exciting part of camp for the scouts! We recommend that every scout have money to spend at the Trading Post. Proceeds from the Trading Post help keep the costs of camp down. Recommended spending money is \$15.

## Electronic Distractions

The Camp Director will have a phone available for emergencies only. All adults are requested to leave their personal cell phones off and refrain from use while at camp. Scouts bringing cell phones will be asked to leave them with their leaders while at camp. Please leave all other electronic devices at home.

## Medicine and First Aid

We will check the Health and Medical Record form upon check-in. Please inform Camp Staff of any conditions we need to know about (medications, allergies, ADD/ADHD, hearing aids, etc.) **ALL medications at camp need to be in the original containers, labeled with name and pack number.** These need to be secured in a LOCKBOX (locked car) or turned over to the Health Officer at check-in. Rescue inhalers and Epi-pens may remain with participants, but must be reported to the Health Officer. Report ALL injuries to the Camp Health Officer, no matter how small they may be. NEVER send a boy to the First Aid Station alone. Use the Buddy System at all times at camp. We want your scouts and leaders to be safe and healthy at camp.

## Health Emergencies

- Stop life-threatening dangers to keep victim from further harm.
- Notify Camp Health Officer and Camp Director, they will immediately contact parents/guardians.

## Emergency Procedures

Listen for the alarm. It is the signal for emergency. Gather at the parade grounds area and specific instructions will be given.

## Severe Weather

Electrical Storm: Stay away from trees and buildings, take scouts quickly to your cars.

Severe Rain or Hail: Take cover in nearest shelter or take scouts to your cars and wait for directions from Camp Director.

Winds: Stay away from trees and get into an open area.

## Lost Boy

Send an adult to contact the Camp Director. Search in the most likely places: restrooms, vehicles, trading post, etc. Follow the directions of the Camp Director.

## Praise and Discipline

When you see a boy do something good, **praise him openly in front of the group.** When you see a boy behaving inappropriately, **take him aside and talk to him about his behavior.** Make sure you are out of earshot, but within sight of others. Please do not belittle or embarrass him. If he continues to misbehave, contact the Camp Director. Remember to maintain 2-deep leadership at all times.

## CAMPING

Camp Morrison is a rustic campground in the forest. You will need to bring your own tent and sleeping gear. Vault-toilets are located in each campsite and one flush toilet is available next to the Trading Post for adults and special needs youth. Outdoor showers with heated water are also available.
