# What is Cub Day Camp?

Cub Day Camp provides Cub Scout leaders and their boys FUN and ADVENTURE in the outdoors! 1- day camps are for all Cub Scouts and Webelos and 2- day twilight (afternoon-evening) camps are for Webelos only. Our camps are offered in Boise, Nampa, Caldwell, Ontario-OR, Mountain Home, Emmett and New Meadows. Day Camp supports the purposes of the Boy Scouts of America (BSA): character development, citizenship training, and personal fitness. While achievements are earned at these camps the primary focus is having FUN in the outdoors. Highlights include BB guns and archery as well as making wood and leather projects. See you at Day Camp!

## What to Bring

- Camp t-shirt, this is the uniform for all days
- Refillable water bottle
- Sturdy shoes that can get wet
- Sack lunch and cooler for storage
- Sunscreen & Bug Spray
- Hat (highly recommended, label!)
- Rain gear (watch the weather forecast and be prepared)
- Spending money for the Trading Post (recommended \$15)
- Pack gear wagon (optional)
- A Positive Attitude

*\*\*\* If a Scout is unable to attend with his pack, contact the Scout Office to transfer the Scout's registration to another camp with available space. All Scouts must be accompanied at camp by either a parent or two registered Scout leaders. \*\*\**

## Please Leave at Home

- Pets
- Pocket Knives
- Electronic devices (iPod, MP3 players, youth cell phones, hand held games, etc.)
- Open toed shoes, flip flops or crocs
- Matches, lighters, or fireworks
- Unregistered youth, young children or siblings not working at camp

***Label all belongings with Name and Pack Number!***

## BSA Health and Medical Form

**EVERYONE** at camp (Scouts, parents, leaders, volunteers, etc.) **must complete a current BSA Health and Medical Form, parts A and B** (photocopies are preferred for camp). This is a National BSA Standard Requirement. A doctor's physical and insurance card are NOT required. Den Chiefs (youth helpers under age 18) must have a parent/guardian's signature on their completed form. In the event of an emergency, we give these forms to medical personnel. All health forms are returned at the end of camp or destroyed/shredded.

### Youth Protection

## Pack/Walking Leader

A Walking Leader is an adult who walks from station to station with the Scouts during the day at camp. They directly supervise their boys, check-in pack adults and Scouts at the registration area, verify attendance and make sure all forms are complete and accurate. For 2-day camps, the walking leader must verify attendance BOTH days. Den Chiefs are a great asset to Walking Leaders; their purpose is to help the cubs with their projects and activities. Walking Leaders should:

- **Enforce the buddy system.**
- **Provide discipline for your pack using principles taught in Youth Protection Training.**
- **Escort your Scouts to each station.**
- **Assist with activities.**
- **Keep track of possible achievements for each boy (a possible achievement list is provided).**
- **Keep track of Scouts always.**
- **Do not let the Scouts run around unsupervised.**
- **Bring extra parents/leaders for boys that need extra supervision.**
- **Plan transportation to and from camp.**
- **Supervise lunch.**
- **Communicate with Camp Staff.**
- **Help the Scouts keep track of their belongings (label everything with name and pack).**

**BSA Registered**— One Walking Leader with each pack must be registered with the BSA and must have proof of their current Youth Protection Training (YPT). All adults are encouraged to take YPT prior to camp. All boys must be registered Cub Scouts with the BSA prior to camp.

**Two-Deep Leadership**— Required on all outings. One registered leader and a parent of a participating Scout or other adult, one of whom must be 21 years of age or older, are required for all trips and outings. For Day Camp, we request an additional adult for every 5 boys after the first 10.

## Arriving at Camp

- 1) **Check-in begins at 8:30 am, Webelos camp at 1:30 pm.** Please arrive early. Opening ceremonies begin promptly at 9:00 am, Webelos camp 2:00 pm. A gathering activity is available for all Scouts.
- 2) **Have one adult check-in your unit when the entire group is present.**
  - Have all necessary forms already filled out and signed.
  - Verify Scouts in attendance. Everyone must have completed forms and be paid. Each Pack will be put into groups to visit each station throughout the day. Larger Packs may be split into groups, and smaller Packs may be combined with other Packs to keep the groups balanced.
  - Verify Leaders in attendance. Turn in Health forms for any substitutes.
  - Turn in **ALL medications** to be taken at camp. They must be in original containers, labeled with name and pack number. The Camp Health Officer will dispense medications as required. For legal and safety reasons, Pack Leaders are not allowed to dispense medications at camp. Rescue inhalers and Epi-pens may remain with the Walking Leaders, but must be reported to the Health Officer. We want your Scouts and Leaders to be safe and healthy at camp.
- 3) **Remaining adults and Scouts** proceed to the gathering area for an exciting pre-camp activity.
- 4) **All adults will be required to wear a wristband** to show that they are checked in.

## Transportation

Transportation is the responsibility of each pack; whether you carpool or meet at camp, please follow these guidelines so everyone arrives together safely. Make sure everyone knows what your pack's plan is, especially for 2-day camps. Parents, Leaders and Scouts need to **know where to meet, what time and how they are getting home.** Use caution and stay alert in Risk Zones (entrances, exits and parking areas). All Scouts and volunteers must wear seat belts when riding in any vehicle. **Scouts are not allowed to travel in the backs of trucks or campers.**

## **Late Arrival/Early Departure**

**EVERYONE must be checked in with camp staff.** Even if you are a parent dropping off a forgotten lunch (or something else) you must come to the check-in area first. We will assist you in finding your Scout. Camper safety is top priority.

**The Camp Director must sign out EVERYONE who needs to leave EARLY.** Early is considered any time before closing ceremonies. The adult picking up a Scout must be listed in the early release section of the Health and Medical form, or the boy cannot be released. Volunteers need to sign out with the Camp Director, so we know who is still there and if replacements are needed.

## **The Buddy System**

Please enforce the Buddy System at camp! No boy can go anywhere without his Buddy. This includes the Trading Post and the restroom (port-a-potties are in plain view of camp and can be accessed any time). Please discuss the Buddy System with your Scouts and all leaders before coming to camp.

## **Praise and Discipline**

When you catch a Scout doing something good, **praise him openly in front of the group.** When a Scout behaves inappropriately, **pull him aside and talk to him about his behavior.** Make sure you are out of earshot, but within sight of others. Please do not belittle or embarrass him. If he continues to misbehave, contact the Camp Director. Remember to maintain 2-deep leadership always.

## **Lunch and Drinks**

**Everyone will need to bring their own lunch and cold storage.** We suggest sack lunches that can be kept in a cooler until lunchtime. You will have plenty of time for lunch, so please leave coolers in your car. Feel free to bring camp chairs and pop-up shades to create your own shade area. Some (not all) camps have covered areas, which you are also welcome to use. Everyone should bring a refillable water bottle, labeled with your name and pack number. Refill stations will be available at each station. Your pack can choose where you eat lunch, but each pack should stay together. Please supervise Scouts. They may visit the Trading Post, restrooms, etc. using the Buddy System. Practice **'Leave No Trace'** and take your trash to the dumpster or your car. Not all camps have trash facilities, so please 'pack it in, pack it out.' THANK YOU!!

## **Emergency Procedures**

Listen for the Siren. It is the signal for emergency. Assemble at the gathering area and specific instructions will be given.

### **Severe Weather**

Electrical Storm: Stay away from trees and buildings, take Scouts quickly to your cars.

Severe Rain or Hail: Take cover in nearest shelter or take Scouts to your cars and wait for directions from the Camp Director.

Winds: Stay away from trees and get into an open area. If your camp cannot take place because of severe weather, camp staff will do their best to contact you with a change of date or location.

**Lost Boy:** Send an adult to contact Camp Director. Search in the most likely places: restrooms, vehicles, Trading Post, etc. Follow the directions of the Camp Director.

**Health Emergencies:** Stop life-threatening dangers to keep victim from further harm. Notify Camp Health Officer and Camp Director immediately. Contact parents/guardians.

**Child Abuse:** Separate victim from abuser. Notify Camp Director immediately.

## First Aid

Report ALL injuries to the Camp Health Officer, no matter how small they may be. The Health Officer can be found at the First Aid Station near the Check-in Area. NEVER send a boy to the First Aid Station alone. Use the Buddy System always during camp.

## Lost and Found

Lost and Found items will be secured at the Check-In Area and sold to the highest bidder. Just kidding! We will bring lost and found items to the closing ceremony at the end of each day. All items that are not claimed are delivered to the Scout Office and then donated to charity if not retrieved by August.
