Camping/Hiking in Idaho

Scott has lived in Idaho since 2003 and founded Hiking Idaho in 2008 while living in Stanley. The mission of Hiking Idaho is to research, write and publish the finest Idaho hiking guidebooks in order to provide fellow hikers with accurate and inspiring backcountry information.

Scott has hiked thousands of miles and published five hiking guidebooks for central and south Idaho.

Scott has hiked every mile of every hike in each of his books. At University of Scouting Scott will be sharing and discussing an interesting trek from each of his books. Don't miss this opportunity to meet one of the preeminent outdoor Idaho authors and gain valuable insight to some of his favorite places. You will also have the opportunity to purchase his guide books during the day.
