LDS Church Building

3904 E Greenhurst Rd, Nampa

Instructor – Blue Childers

The Den Chief is an older Scout who serves as the activities assistant for a Cub Scout or Webelos Scout den. The Den Chief meets with the den leader to review den and pack meeting plans and helps however he/she can. The Den Chief projects a positive image of Scouts BSA and, if serving as a den chief to a Webelos den, helps prepare the youth to join Scouts BSA.

Den Chiefs are expected to complete **Den Chief Training** to be considered fully-trained for their position. Den Chiefs are eligible to earn the Den Chief Service Award.

Any registered Scout who currently holds the Den Chief position OR has a desire to serve as a Den Chief is welcome to attend. Any adult Den Leader who wishes to know how to properly utilize a Den Chief is also welcome.

Come in your uniform, and, bring your Den Chief Handbook, if you have it.

Above all, come prepared for two hours of FUN-damental learning!
